Jeff Baraka and **Jonas Raeber** are past participants of the *Chicago-Lucerne Artist Exchange and Residency Program*, administered by the Lucerne Committee of Chicago Sister Cities International, and supported by the Swiss Benevolent Society of Chicago. Lucerne illustrator / animator, Jonas was hosted in Chicago in 2010; Chicago MC / poet (and journalist), Jeff traveled to Lucerne in 2015, which is when they met. To celebrate the program's upcoming 20th anniversary in 2021, they're planning a collaborative project based on their mutual interests: music (beats / loops / words), cartoons, and graphic design. The result will be an eclectic mix of sounds, visuals, styles and stories!
